

Dear Parent,

To be effective, a learning environment should extend beyond the walls of school and into the community at large. At certain times throughout the school year individual teachers will take advantage of learning opportunities that are within close proximity of school (e.g., Public Library, Union Park, Daily Times, etc.).

Parents will be notified of these short trips but we thought it would save time and confusion if we collected one permission slip to cover these excursions.

Please sign and return the permission slip below to authorize these short journeys. Trips will be chaperoned.

I'd also like to thank the Home & School Association for once again budgeting for busses for out of town experiences.

Jeff Allen
